

# WILLIAM MORRIS

ICONIC WORKS 1994-2007

## A NOTE FROM DAVID AUSTIN:

*"I was fortunate to represent William Morris throughout his career beginning with the Artifacts of 1994. The entire studio glass world marveled at Bill's evolving artistic vocabulary. We eagerly awaited the beginning of the fall season to discover his latest inspiration. Beyond the narrative of the work, he and his long time team created sculpture which seemed rather technically impossible. It is my great privilege to again exhibit many of these seminal works to yet another audience."*
